Charter Launches Spectrum Business

Stamford, Conn. – March 2, 2015 – Charter Communications, Inc. (NASDAQ:CHTR) today announced that Charter Business is now Spectrum Business. Spectrum Business leverages an advanced all-digital network to deliver reliable, full featured solutions to businesses of all sizes at an incredible value.

For small and medium sized businesses, Spectrum Business offers fully-loaded Internet, Voice and TV solutions for less. Spectrum Business Internet, with speeds starting at 60Mbps for \$39.99, and Spectrum Business Voice, with unlimited calling and over 30 free calling features starting at \$29.99, are available without the hassle of contracts, taxes and hidden fees.

"Spectrum Business is more than just a new name. Over the past 12 months we have invested in our advanced fiber network, completed our transition to all-digital, and made enhancements to our product suite, including a doubling of entry Internet speeds from 30 to 60Mbps," said Jonathan Hargis, Executive Vice President and Chief Marketing Officer for Charter Communications.

For larger Enterprises, Spectrum Business offers flexible and scalable Ethernet up to 1Gbps and fiber Internet solutions up to 10Gbps on a network designed for mission-critical applications. In addition, Spectrum Business offers robust voice trunking solutions including Primary Rate Interface (PRI) and Session Initiation Protocol Trunking (SIP Trunking), managed services, security, and 24/7 dedicated U.S.-based support to ensure a superior customer experience. For Carriers, Spectrum Business offers cell backhaul, Ethernet access services, and Point of Presence (POP) connectivity.

"Rebranding as Spectrum Business is a natural evolution for our company as we have elevated our focus on serving large customers with sophisticated communications needs. We are excited about the investments we have made to accelerate the expansion of our fiber network and provide advanced, holistic solutions to Enterprise and Carrier customers," said Don Detampel, Executive Vice President and President of Commercial Services.
